

PLANNING THE LIFE YOU DREAM OF

Planning the life of your dreams starts with creating a custom vision. What goals are you working towards in the next 5 years? 10 years? What do you want to achieve this year? Use the following pages to help guide you towards creating a plan to get where you're trying to go and enjoy the beautiful journey along the way.

GETTING STARTED

What does your life look like 10 years from now? Where do you live? Who do you live with? What does your typical day look like? Where does your income come from? What are you prioritizing?

What does your life look like 5 years from now?

What does your life look like next year?

GETTING STARTED

What do you need to do this year to get where you're going? What do you need to prioritize above all else? What are the skills you have now that you can use to get started? What other resources do you have access to? What do you need to learn next? Use the blank space below to jot down some thoughts, journal, doodle, or whatever comes to mind.
